

Right Networks Ranks Third on Business NH Magazine's List of Top 100 Private Companies

HUDSON, NH (November 18, 2019) – For the fourth straight year, Right Networks, the leading provider of cloud solutions for accounting professionals, has been named to Business NH Magazine's Top 100 Private Companies, coming in at number three. Right Networks ranked seventh on last year's list, making it one of the fastest growing companies in 2019, with 20%+ year-over-year growth. Headquartered in Hudson, New Hampshire, Right Networks was founded in 2002 and currently cloud connects more than 165,000 people at more than 50,000 accounting firms and businesses.

"The Right Networks team introduced new technology offerings this year that increase client productivity and data security which, along with our industry-leading customer service, have helped accelerate our growth and our position on this impressive list of companies," said Joel Hughes, CEO of Right Networks. "New Hampshire has proven to be an exceptional location for our corporate headquarters and we look forward to further fueling this growth trajectory in 2020."

The 2019 Top 100 Private Companies list was published in the November issue of Business NH Magazine, featuring profiles of the five companies with the fastest growing sales.
